

GROWERS WARNED OF POSSIBLE LABOR SHORTAGE HERE

Alameda county agriculturists were warned here Tuesday that they may face a labor shortage this summer for the harvesting of their crops.

This fact was revealed at a meeting of the Washington-Eden Farm Center held in the cafeteria of Washington Union High School. The meeting was conducted by the Alameda County Farm Labor Advisory Committee.

John Amaral, member of the Advisory Committee, was the first speaker and told the group that the purpose of the meeting was two-fold: To present all the information available and to seek the opinion of the growers as to what action should be taken to prevent a possible labor shortage.

L. R. Bradley, manager of the Hayward office of the Department of Employment, reviewed the overall employment situation, stating that we are entering what may prove to be a period of labor shortage.

He said that it is quite different from the labor problem experienced in 1941 in as much as we are now entering a period of rising employment from a relatively high level of employment, rather than a period of great unemployment.

He pointed out that agriculture must compete with industry for workers and the location of new industry here and more coming adds to the problem.

B. C. Rucker, supervisor of the Farm Labor Service, Department of Employment, reviewed the problem from a state-wide standpoint. He stated that the government has made no provisions for importing foreign labor. This type of labor must either be brought in by the individual growers or by grower associations.

W. W. Allen, local representative of the Department of Employment, said the fall peak demand for labor may be double that of last year because of increased tomato acreage.

He said that the tomato growers must compete with the cotton growers of other areas for farm labor.

"Many growers are planning to increase tomato acreage here with the apparent belief that some agency is going to bring in foreign labor," Allan said. "However, at the present time the government has no provisions for importing foreign labor and there is no indication that they plan to do so."

Lee Benson, farm advisor, outlined proposed methods of constructing labor camps and told of the need for housing in this area. The growers, however, appeared reluctant to construct labor housing units.

It was announced that the Advisory Committee would mail questionnaires in the near future to determine the extent of labor housing in this area and determine how many growers would consider building housing units.

BLOOD DONATIONS HERE REACH 486

The 111 persons who became blood donors at Monday's visit of the Red Cross mobile blood unit, swelled to 486 the total number of Washington Townshipites who have contributed a pint of blood since the unit first visited here in January.

Mrs. W. L. McWhirter, Centerville, chairman of the blood procurement program here for the Red Cross, paid particular praise to local residents this week for their participation Monday.

"At a time when there is so much sickness we were somewhat doubtful about making our goal of 100 pints," Mrs. McWhirter said. She added, however, that many persons who had appointments but were unable to donate because of sickness, arranged for substitutes to take their place so that the equipment and personnel of the unit could be utilized to the maximum.

The next visit of the mobile unit will be on April 16 and all persons willing to contribute a pint of blood are urged to contact their community chairman.

MISSION SAN JOSE WILL FORM C. OF C.

Residents of Mission San Jose at a mass meeting held Tuesday evening at the elementary school voted unanimously to organize a Chamber of Commerce.

The meeting, called by the Fire Department, was presided over by Bruce Michael of Warm Springs, president of the Washington Township Chamber of Commerce.

Michael explained to the group that Mission San Jose is the only community of Washington Township without a Chamber of Commerce. He extended an invitation to the community to join the township-wide Chamber if and when a Chamber could be formed.

Maurice Marks was named chairman of a committee to meet with Judge E. A. Quaresma and prepare a constitution and bylaws to be presented at the next meeting, to be held at the school on Wednesday, April 4, at 8 p.m.

The officers of the new organization will be elected at the April 4 meeting.

CHURCH CAMPAIGN MAPPED AT NEWARK

A campaign to raise funds for the construction of a new Christian Education Building at the Newark Presbyterian Church has been scheduled for the week of April 8 to 15.

The committee in charge of the drive includes William Hildebrand, Mrs. John M. Peffers, Mrs. Ray Auchard and Rev. John Peffers, assisted by Rev. Lester Eisel of San Francisco.

The structure, which will be erected behind the church building, is expected to cost approximately \$20,000.

Rev. Peffers said this week, "This is a provision for now, and for years to come, with the purpose of keeping pace with a progressing township. While soliciting is being confined locally and to businesses which directly serve the members of our church, invitation is extended to anyone who wishes to make an investment in the spiritual welfare of all who come seeking peace, inspiration, and power that is uniquely presented in Christ's Churches."

PARRY WILL HEAD CANCER CRUSADE

The American Cancer Society's 1951 Cancer Crusade will open here on April 1 with Jack Parry of Niles again serving as township chairman.

Parry said this week, "Our task is two-fold; one, the solicitation of funds to carry on the fight toward cancer control; and two, the promotion of an educational program that may well save the lives of some of our friends and neighbors."

In commenting on his appointment, Parry said, "I have accepted the chairmanship of the Cancer Crusade here only with the belief that I can depend upon the energetic support of a great many people in our community. Your generous cooperation will be invaluable in reaching our objectives."

EASTER SERVICES

Christians of all faiths will observe the close of the Lenten Season with special services on Good Friday, Holy Saturday and Easter Sunday.

Most business houses of the township will be closed during the three-hour devotions this afternoon.

Devotions to the Passion will be held in each of the Catholic Churches of the township and a union service of the Protestant Churches will be held at the Niles Congregational Church from 12 noon until 3 p.m.

For the convenience of its readers The Register lists the times of services in each of the churches of the township.

Supervisors to Decide Fate of 2 Local Courts

The final decision as to whether or not Washington Township's two Justice Courts will remain as they have operated since 1872 or be combined with but one judge serving this entire area, is expected to be made next week by the Alameda County Board of Supervisors.

A Judicial Committee, recently named to present recommendations for the reorganization of Inferior Courts of the state, has recommended to the Board of Supervisors that they combine the two courts here, along with many other court changes throughout the county.

In compliance with the request of several civic organizations of the county the Supervisors have scheduled an open hearing to be held in their chambers in the court house on Tuesday at 1:30 p.m.

FAVORS TWO COURTS

The organizations requested the open hearing in order that all interested parties might learn about the court plan before the supervisors make a final decision.

Supervisor Chester E. Stanley, who represents this district on the County Board of Supervisors, said this week that he does not favor the consolidation of the two courts.

He stated that both from a matter of convenience to the people of the area and economically the change is not merited.

Stanley said that the two courts here are practically self-supporting. He expressed doubt that competent attorneys would consider the judgeship on a part-time basis with an ever-increasing case-load. With but little doubt it must be assumed that a judge, taking over the work that has required the services of two judges in the past, would not seek election to the post unless the salary was sizeably increased, Stanley said.

At such a time as the population of the township reaches 40,000 a full-time municipal court must automatically be established.

It is estimated that the population of this area will be swelled to that mark within a period of from five to seven years.

No physical change in the present court system could be made until January of 1953 when the terms of the present judges expire.

Delegations from the township are expected to be present at Tuesday's hearing to present the facts which they feel merit the continuation of the present courts here.

NILES FLYER GETS HIGH NAVY AWARD

A Niles flyer, Ensign Roland Muir Bendel, son of Mr. and Mrs. Roland Bendel, has been awarded the Distinguished Flying Cross for successfully completing combat missions over Korea.

Ensign Bendel, who has been in action against the Communists since August 6, is a Corsair pilot with Fighter Squadron 114 aboard the carrier USS Philippine Sea. The award was presented by Vice-Admiral A. D. Struble, commander of the U. S. Seventh Fleet.

The citation accompanying the award stated, "By expert airmanship and effective utilization of combat tactics, he obtained maximum effectiveness of his aircraft, succeeding in inflicting extensive damage upon the enemy, thereby materially assisting the United Nation forces in operation against the enemy."

Bendel graduated from Washington Union High School with the class of 1941 and was appointed to the U. S. Naval Academy in 1944. He received his commission in 1948 and served aboard the cruiser Bremerton until he entered flight training. He received his navy wings at Pensacola, Florida, in January of 1950.

ASSIGNED TO AIR SUPPORT SQUADRON

Lieutenant Vincent B. Goodson has reported for duty as a pilot with the 1726th Air Support Squadron at McChord Air Force Base.

Mrs. Goodson and their two children, John, age 5, and Deborah, 4 months old, are now residing in Niles.

GAME WARDEN WINS PRIZE IN MYSTERY PICTURE CONTEST

The most difficult of all the mystery pictures yet published in The Register's "Guess Where" Contest appeared in last week's issue.

Only 14 townshipites felt certain enough of their identity and location of the subject of the picture to telephone their answers. Of those, only 10 gave the correct answers.

The one man in the township who most logically would know the identity of the picture, Alameda County Game Warden Fred Rogers of Centerville, won the first and only prize.

Rogers phoned promptly at 9 a.m. to state that the picture had as its subject the fish ladder at the dam at Joyland Park in Niles Canyon. The concrete ladder, which is located within sight of the highway, affords the fish an opportunity to bypass the dam in swimming upstream.

Other persons correctly guessing the answers to the puzzle were: Thomas Estudillo, Niles; Mrs. Albert Mann, Niles; Mrs. C. E. Springer, Niles; Ned Schaaf, Niles; Phil Sousa, Centerville; Lovell Scott, Niles; Mrs. Mary Maciel, Newark; Mrs. Russell Ross, Newark; Mrs. Tony Rivers, Centerville, and Patrick Chivers, Niles.

This week's mystery picture, which appears at the bottom of Page 1, is another shady spot which makes it more difficult to identify because of the shadows, but it is much better known and should present a minimum of difficulty in recognizing.

When you think you know what it is and where it is located, telephone The Register, Niles 3261 or 3271, after 9 a.m. If you are the first or twentieth to call and give the correct answers you will be mailed a check for \$2.50.

HIGH SCHOOL BAND GETS NEW UNIFORMS

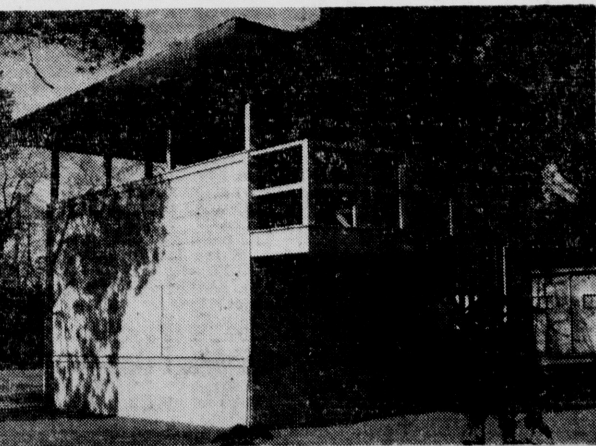

The students of Washington Union High School were shown the colorful new black and orange uniforms of the marching band last Friday at a special musical assembly arranged by Mr. and Mrs. Dwight Thornburg.

The 40-piece band, bedecked in the snappy new outfits, held the center of the stage and won hearty applause from the student body.

HUSKIE PITCHERS HURL ONE-HIT GAME AGAINST S. J.

The Washington Huskies played hosts to two San Jose prep baseball clubs last week, dumping San Jose High 3 to 2 and losing to Bellarmine by the identical score the following day.

Last Thursday Coach Hird's club turned in a near-perfect performance with the three pitchers he used during the seven innings giving up but one hit. Romero drew his first starting assignment of the season on the mound for the Huskies and held the visitors hitless until the fifth inning when he was nicked for a single.

Castro relieved Romero in the top half of the fifth and retired the side in order and Springer took over in the top of the sixth to continue the stellar pitching performance.

Gerry Ornellas, Huskie shortstop, scored two of the local club's runs, getting four walks in as many times at the plate.

Castro went the full seven innings in Friday's game against Bellarmine and gave up eight hits, allowing three walks and collecting five strike-outs.

His team mates, however, were able to get but six hits, paced by Cleaires with three for four.

The Huskies were idle this week because of Easter vacation but will renew their diamond activities on Tuesday against Lincoln High.

The S.C.V.A.L. season opens on Thursday with the Huskies pitted against San Jose Tech for their curtain raiser.

P.T.A. BOARD TO MEET

The executive board of the Irvington Elementary School P.T.A. will meet Wednesday, March 28, at 8 p.m., at the school, according to Mrs. Tom Pereira, president.

'DIAMOND LIL' TO PLAY IN SAN JOSE

"Diamond Lil," with the fabulous Mae West in the title role, will be in the civic auditorium, San Jose, on Friday night, March 30. The show comes direct from a long run on Broadway, with original cast of 50, and the lavish sets and costumes. Before the New York run, "Diamond Lil" ran for a year in London, where Mae West was the toast of the town. The entire Royal Family went to see the show, and were so enamored with the American star that they invited her to a royal reception and introduced her to London's aristocracy. The glamorous, unpredictable Mae was a complete hit and became the idol of the theater-going public, with standees the regular pattern for each night's show.

Miss West plays the role which has made her what New York critics called "an American institution," "an international legend," that of a Bowery Queen who makes her headquarters in one of the most notorious saloons in history. The \$35,000 sets create a dazzle and glitter typical of the gambling hall of the period.

Tickets for Mae West in "Diamond Lil" are on sale at the Denmy-Watrous box office, San Jose auditorium.

Spivakovsky, the brilliant and exciting violinist of whose playing Alfred Frankenstein wrote in the San Francisco Chronicle two weeks ago, "the greatest violin playing of the generation," will give a recital in the San Jose auditorium for the Concert Series on Friday night, April 6.

EMERGENCY FIELDS

Members of Sheriff H. P. (Jack) Gleason's Volunteer Air Squadron have just completed an aerial civil defense assignment, locating 20 emergency landing strips throughout Alameda County for possible wartime use.

GIRL SCOUT NEWS

The members of Centerville Girl Scout Troop No. 66, under the leadership of Mrs. J. V. Orsetti, have made themselves of service to the community through numerous activities. Patrols of three and four girls are assisting the Toyon Ladies with their services every Saturday and Sunday for the six weeks of the Bulb Show at the California Nursery.

Because a large number of Alviso school children were unable to attend school on Friday to receive Easter baskets from the Alviso Mothers' Club, Girl Scouts volunteered house to house delivery with cheerup messages to these students.

On Monday afternoon 25 Girl Scouts and their guests enjoyed an afternoon of merriment at the Old Adobe on the grounds of the California Nursery, at which time they were the guests of the troop mothers.

All the trimmings of a colorful Easter egg party were enjoyed after the girls returned from an excursion through the beautiful nursery grounds. The next meeting of this troop will be on Monday afternoon, March 26, at 2:30, at the Centerville Elementary School.

Parental cooperation and the generosity of Principal Mr. Tom Maloney of his time and interest in this Girl Scout program are an asset to which the troop attributes the success of its continued organization.

A meeting of the Centerville Girl Scout Troop No. 66 was held at the Centerville Elementary School on Monday, March 12, the Girl Scout birthday.

The troop has been engaged in various badge projects in preparation for a court of awards scheduled for the month of April.

A treat for the girls on this Girl Scout Anniversary date was the making of Easter baskets which were filled with candy eggs by the leaders, Mrs. J. V. Orsetti and Mrs. George Valles.

An exciting game of baseball was played with teams captained by Evelyn Bettencourt and Cynthia Goodwin. At the close of taps the troop was dismissed until after the Easter vacation, at which time meetings will resume on Monday, March 26, at 3:30 p.m., the date set as a deadline for all badge reports to be in.

1950-1951 TOWNSHIP GIRL SCOUT REPORT

We are developing an understanding of and a willingness to share with our friends in other lands as "A Girl Scout is a friend to all and a sister to every other Girl Scout." School bags were made, filled and shipped overseas. Boxes of clothing were sent to children in foreign lands. A \$66.77 gift was made to the Juliette Low World Friendship fund, and two Senior Girl Scouts were sent to represent our council at the Governor's Youth Conference in Sacramento. We serve our community. "A Girl Scout's duty is to be useful and to help other people at all times." Many families and "shut-ins" were adopted. Gifts and entertainment were taken to the Masonic Home, Sunrise School (Continued on page 8)

ISABEL MACHADO CLAIMED BY DEATH

Funeral services were held in Niles Wednesday for Mrs. Isabel Machado, 64, of 424 1/2 Third Street, who died Sunday in a rest home here.

She was a native of the Hawaiian Islands but came to this country to make her home in 1903. She was the wife of the late Domingos Machado; sister of Mrs. Mary Pimentel, Santa Clara, Mrs. Emma McMahon, San Francisco, Mrs. Sarah Bruno of Santa Rosa, Mrs. Frances Rebeiro of Santa Clara and Manuel Robella of Maui, T. H.; sister-in-law of Joe Machado of Niles.

Services were held from the parlors of the Berge Mortuary Company in Niles at 9 a.m., followed by a requiem mass at Corpus Christi Church. Interment was at Holy Sepulchre Cemetery, Hayward.

LEGAL NOTICE

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Board of Trustees of Washington Union High School District of Alameda County hereby calls for sealed proposals to be delivered to the Clerk of said Board at the office of said Board in the Washington Union High School Building located on the State Highway leading from Oakland to San Jose via Centerville, California, immediately south of the Town of Centerville, California, until the Fourth day of April, 1951 at 8:00 o'clock p.m., at which time and place said bids will be opened for the furnishing of all labor, materials, equipment, mechanical workmanship, transportation and services required for the erection and completion of a one-story frame and stucco Business Education Unit and connecting passage to be erected on the Washington Union High School grounds located on the State Highway leading from Oakland to San Jose via Centerville, California, for the Washington Union High School District of Alameda County.

These bids shall be presented in accordance with plans and specifications for said work prepared by Birge M. Clark and Walter Stromquist, Architects, 321 Channing Avenue, Palo Alto, California, which are on file at the said office of the said Board of Trustees located as above mentioned.

On deposit of twenty-five Dollars (\$25.00) said plans and specifications may be had by any prospective bidder for the work above mentioned on application to the Clerk of the Board of Trustees hereinabove mentioned or to the architect, and in each case shall be returned at the time the bids are submitted.

If the plans and specifications are not returned to the office of said Board within the time above specified or are returned in a mutilated or damaged condition, the said deposit will be retained by said Washington Union High School District as agreed and liquidated damages for said mutilation or detention.

Bids must be made on bid forms obtained at the said office of the Board of Trustees and must be signed by the bidder and accom-

panied by a bid bond in the form procured from said office, duly executed by the bidder as principal and a corporation authorized to do business in the State of California as surety naming the Washington Union High School District of Alameda County as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank of the State of California or on a national bank doing business in the State of California, in the amount Five Thousand Dollars (\$5,000.00), and made payable to the Washington Union High School District of Alameda County. Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award and to file the required bonds the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said bid bond either voluntarily or pursuant to the judgment rendered by the court in any action brought thereon will be retained by said Washington Union High School District as agreed and liquidated damages.

The contractor and all subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holiday and overtime work, for work of a similar character in the locality in which the work is performed, to wit: Washington Union High School District of Alameda County, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by said Board of Trustees and which is now on file in the office of said Board of Trustees and by reference incorporated and specified herein and made a part hereof and which said general prevailing rate of per diem wages as hereinabove referred to and adopted for each craft or type of workman or mechanic needed to execute this contract, is herein specified as follows:

LEGISLATURE TOLD REBER BAY PLAN IS NOT FEASIBLE

"The Reber Plan would cost twice as much as it would be worth and is not economically feasible."

That was the summary of the report which has been released for the Fact-finding Committee on Tidelands Reclamation and Development, Related Traffic Problems, and Relief of Congestion on Transbay Crossings, of the California Assembly.

The report was compiled by the International Engineering Company, Inc., of San Francisco, jointly with John L. Savage, consulting engineer of Denver, Colorado, following a survey of the plan of John Reber to make fresh water lakes out of a great portion of San Francisco Bay.

TOO COSTLY FOR BENEFIT

In its recommendations to the California Assembly the Savage report stated: "The Reber Plan

in its entirety is neither functionally nor economically feasible; that is, its realization would not produce the desired results, and would seriously hamper the national defense, and its costs would exceed the value of the benefits. The Reber Plan in its entirety should be given no more consideration."

The report did state, however, that a southern barrier, much different from that contemplated in the Reber Plan, might be practicable as a bay crossing and should be further investigated.

"An additional crossing of San Francisco Bay between San Francisco at the west end and Oakland or Alameda at the east end must be constructed in the near future," the report stated.

OTHER FAULTS LISTED

Other faults which the report lists in the Reber Plan are:

"The sewage disposal problems of all districts and communities that would discharge into the fresh water lakes would be magnified.

"There is some doubt as to whether the salt water in the south lake could ever be completely replaced by fresh water.

"The Reber Plan wastes fresh water and cannot possibly conserve it.

"The cost of the project is estimated at \$1,638,546,000.

"Water surfaces of the fresh water lakes could not be as clean as the bay is now."

EXPERIMENT IN DRY LAND WEED CONTROL

Controlling weeds in dry land walnut farming is in the experimental stages on the ranches of Dick Johnson and Joe Oliver in the Warm Springs area, says Lee Benson, farm advisor.

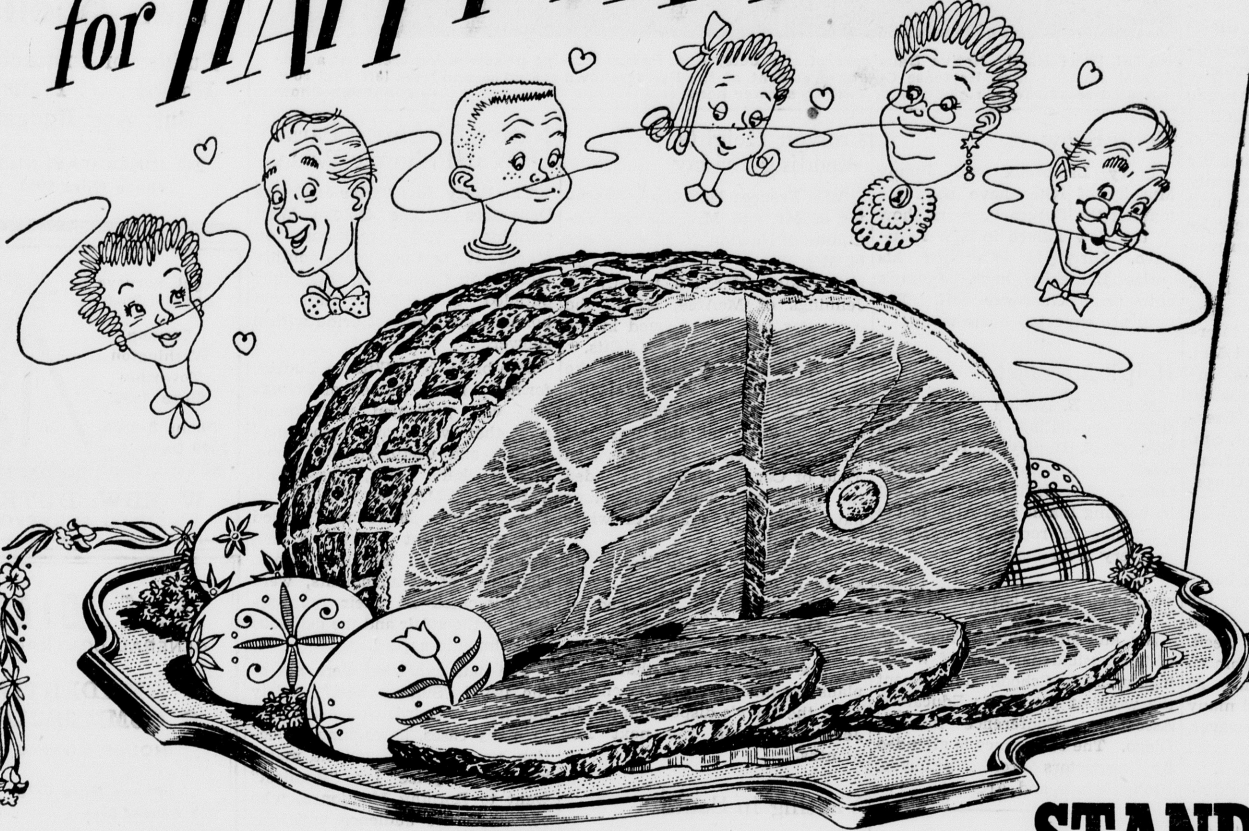

Each farmer has given approximately one-half acre to try this new idea in controlling weeds with chemical weed killers rather than the tractor and tillage method. By continually spraying the weeds with chemicals it is expected that in two years the cost will equal

or lower the cost of tilling the soil. In the third year and after the cost will be lower.

An additional benefit which is expected to be seen is that the weeds will then not be present to reduce the much needed soil moisture for producing the satisfactory walnut crop. Both Johnson and Oliver are cooperating by furnishing the materials and the farm advisor in furnishing the equipment and labor to apply these weed chemicals.

TEMPERATURE LOG TO BE KEPT HERE

A recording thermometer has been placed on the J. Burt Porter Nursery on Walnut Way in Niles in cooperation with Dr. D. Brown, College of Agriculture and Farm Advisor Lee Benson.

Several uses are expected with this thermometer which will record the number of hours of cold or heat affecting the Niles-Centerville area. One result is that it is expected that by recording the temperatures for six weeks following the apricot full bloom the picking date can be forecast within two days.

Other uses of the thermometer will be for an accurate log of the temperatures for summer and winter as well as assisting with the planting date of truck crops, Benson adds.

By EVANGELINE KOEHL
Jade Snow Wong, "Fifth Chinese Daughter." These are charming memoirs with a distinct and unusual flavor, thoughtful and informative and highly entertaining. They give not only the portrait of an individual young woman and her unique family, but they are rich in the details which light up a world within the world of America. Miss Wong's story, simply told and flecked with delicious humor, is one of struggle and achievement. Throughout its course are wonderful glimpses of the colorful life of San Francisco's Chinatown.

Hervey Allen, "City in the Dawn." This one volume contains the heart of the three novels: "Forest and the Fort," "Bedford Village," "Toward Morning," and a hitherto unpublished section of an unfinished fourth volume of the series. A brilliant recreation of the spirit of early America.

Robert Lewis Taylor, "Professor Fodorski." Professor Stanislaus Fodorski precipitated himself upon the new world with a hundred odd dollars and an English grammar as his only possessions. His exposure to football and his mad espousal of it is a beautiful thing to watch, as is Mr. Taylor's enviable ability to pin down, slyly and expertly, many a character operating on the American scene today.

Cornelia Otis Skinner, "Nuts in May." A new book by the author of "Excuse it, Please," "Dithers & Jitters" and "Scap Behind the Ears," etc., is full of laughs and fun to read aloud.

Frank B. Gilbreth Jr. and Ernestine Gilbreth Carey, "Belles on Their Toes." Climb aboard with the Gilbreths in further adventures of this uproarious clan! "Belles on Their Toes" is as lively as "Cheaper by the Dozen." In fact it is better.

VETS ENTERTAINED BY GRAY LADIES

The Gray Ladies Corps of the American Red Cross entertained at the Veterans Hospital in Livermore last Thursday with a musical bingo party. Mrs. Clarence Crane, chairman of Gray Ladies of Washington Township, was assisted by canteen service with Mrs. A. Alameda in charge of refreshments. Thirty-five prizes were furnished by the local Red Cross Chapter and five prizes were donated by the Niles Pechontas Club.

Gray Ladies who attended the party were: Mrs. Reginald Calhoun, Mrs. Roy Moser, Mrs. Frank Serpa, Mrs. Jack Stevenson, Mrs. John Talley. The following hostesses also were present: Mrs. Alvin Rose, Mrs. R. Jolliff, Mrs. Louise Springer, Miss Thelma Biale, Miss Betty Rose, Miss Margery Wilson, Mrs. E. Hirsch, Mrs. W. Gravestock, Mrs. A. E. Alameda, chairman, and Mrs. A. Alves represented the Red Cross canteen service.

Mrs. Crane furnished the music for the musical bingo, a game that was originated by the Washington Township Gray Ladies during the last war and was used frequently at Shoemaker. This was the first evening party sponsored solely by Washington Township and proved to be most enjoyable.

There is still a great need for additional Gray Ladies to serve at the hospital and anyone interested in the work please call Mrs. Crane, Niles 3111 for further information. The group serves on the first, second and third Tuesdays of each month from 9 a.m. to 2:30 p.m. Transportation from Niles is provided by Motor Corps.

NILES CUBS IN NEED OF ADULT LEADERS

The Niles Cub Scouts are badly in need of adults to serve on the Cub Pack committee and as Den Mothers, it was learned this week.

Ronald Andrus, acting Cubmaster, said that there are now 26 young boys in the Pack and many more that wish to join. However, the Pack cannot be expanded until the adult leaders are obtained.

Parents and other adults willing to devote a few hours of their time each month to assist in the program are urged to attend the next meeting, to be held April 12 at 8 p.m. at the Niles Elementary School.

SOCIAL PROGRAM, STUDY FOR BLIND PERSONS

Blind or near-blind residents of this area have been invited by Lions Clubs of Southern Alameda County to meet the first and third Thursday of each month in Hayward for recreation, conversation, braille study or any hobby they may choose.

The meetings are held at 1704 Hazel Avenue, Hayward, between the hours of 1 to 5 p.m. The California State Department of Education provides a specially trained teacher to give the necessary instruction.

Canyon Heights Wedding Friday

Miss Frances McCollum, daughter of Mr. and Mrs. George McCollum of Newton, N. J., and sister of Mrs. George Pekota, was married Friday, March 9, to Guy M. Jennings of McAfee, N. J., the ceremony being performed in the Pekota home in Canyon Heights.

Rev. Arthur Freeman of the Episcopal Church of Centerville, performed the ceremony; Gene Clark of Somerset, Pa., was best man. Mrs. Pekota and Mrs. Lou Field of Canyon Heights attended the bride who wore a two-tone navy and pink suit with white gardenias.

Mr. Jennings, son of Mrs. Edith Trudall of McAfee, N. J., is a seaman first class, stationed at San Diego. Mrs. Jennings, who has been staying with her sister for six months, says that their plans are indefinite and dependent upon the Navy's disposition of Mr. Jennings within the next few months.

Visiting in South

Showers in Newark Honor Roberta Cotton

In honor of Roberta Cotton, whose marriage to Leslie Kious of Newark is scheduled for April 1, a shower was given last week at the home of Joan Elias. Joan, Nonie Beck, Charlotte Seward and Emily Jane Scott were hostesses to a group of friends including Rosefarie Gunn, Joelle O'Neill, Ruth Lambert, Joanne Lewis, Margery Santos, Lena and Elsie Horat, Mrs. Lois Nelson, Mrs. Marie Freitas, Mrs. Betty Morgan, Marilyn Ardacoli and Carolyn Nobles.

The girls, most of them Bobbie's high school friends, thoroughly enjoyed an evening of conversation, charades and presentation of gifts. Refreshments were served, featuring a beautifully decorated cake which brought forth expressions of approval from the guests who recognized its green and yellow motif as Bobbie's favorite color combination.

Clicks Attend Concert

N. E. Click, principal of the Mission San Jose Elementary School, attended the Elementary Principals Institute in Berkeley on Sunday and Monday. Sunday evening they and their daughter Linda attended the San Francisco Symphony Orchestra concert at the Berkeley Auditorium.

Miller-Morgan Engagement Announced

Mr. and Mrs. E. A. Miller of Canyon Heights announced the engagement of their daughter, Geraldine, to Mr. Melvin Morgan of Niles, at a family gathering last Saturday, attended by Mr. and Mrs. Ted Brown of Hayward.

Gerry Ann, a popular member of the Senior Class at Washington High, says that the date for the wedding has not yet been decided upon, but it may be in the fall.

Mrs. Miller tells us that her son, Sergeant Paul Miller, an instructor at Shepherd Field, Wichita Falls, Texas, hopes to bring his wife and seven-months old baby to Niles for a visit this summer. Sergeant Miller has been in the Army three years.

Chat With Stewarts About This and That

The Frank Stewarts of Niles, after a full week of entertaining family and friends, will call a halt Sunday with a get-away-from-it-all trip to Golden Gate Park. Harriet and Jimmy Dias will go with them.

They had dinner with Mrs. Stewart's sister's family, the Elmer Olsens of Hayward, one day last week. Following dinner, a wild game of cops and robbers was terminated abruptly when cousin Wesley Olsen broke his arm.

Mrs. Stewart states that her husband, Frank, an active Steelworkers Union official, is hopeful that plans for the proposed boys' club can soon be made more definite. Many of the union members long ago foresaw the desirability of a well organized club and meeting hall for their children.

The plan includes the building of a hall that would combine facilities for the club and union activities. Money-raising projects already are in operation and hopes are high.

Family Party

The John Maras of Niles and the Edward Maras of Newark will spend the holiday week-end with their brother, Joseph Mara, in Oakland. To complete the family gathering, Mr. and Mrs. Harry Schorr and Mr. and Mrs. Robert Tohlen of San Francisco, will be present.

Mrs. Frances Mara spent the holiday week at Mills College where she attended the Folk Dancing Teachers' Institute.

Oregon Guests at Marbles

Mrs. Dovie Bates, a former resident of Niles, returned to her home in Salem, Oregon, after spending two months with Mr. and Mrs. Dan Marble.

Mr. Marble is home from Alameda Hospital, recuperating from an operation.

Eagles and Hats: Men Are Judges

Monday's meeting of the Ladies' Auxiliary of F.O.E. 1695 proved to be a gay, hilarious affair. The men attended this one, and three of them—Joe Lewis, Joe Goularte and Ray Cunha—served as judges of the Easter Hat Parade.

Mrs. Susie Davis' chapeau was undoubtedly the funniest because of the arrangement and the posture she had to maintain to keep the thing on her head. Just try sometime to balance on your head a miniature wooden wheelbarrow filled with eggs supporting a wobbly bunny!

Mrs. Katherine Silva secured the prize for originality with her genuine, cured white bunny skin complete with stuffed head and ears, while Mrs. Ann Kochalka achieved the prettiest effect by using those dainty and colorful little ducks, eggs and small favors so popular with children at Easter time.

After the parade, the business session was called to order by Mrs. Adeline Quadros, president. A rummage sale on April 13 and 14 and a paper drive on the 15th will be managed by a committee headed by Mrs. Davis and including Alvina Leal, Dorothy Ratekin and Adeline Quadros.

The nominating committee presented the following candidates, who will stand for election at the first April meeting: for president, Alvina Leal; vice-president, Mary Mattox; secretary, Susie Davis; treasurer, Alice Meneze; chaplain, Leontine Costa; conductress, Marie Re; inside guard, Evelyn Silva; outside guard, Dorothy Ratekin.

Chin Up, Sharon!

Eleven-year-old Sharon Cole, daughter of Mr. and Mrs. Ivan Cole of Newark, expected to be released from San Jose Hospital some time this week, where she has been undergoing an operation and treatment for a broken arm.

The usual routine treatment for such a fracture was complicated by a condition which made it necessary for the surgeon in charge to perform a grafting operation with bone taken from another part of the body.

Sharon will have to wear a cast for two or three months but relatives report that she is undismayed by the prospect, and in spite of pain and discomfort, is in her usual good spirits, making friends with the entire hospital staff and patients.

Brother for Jimmy

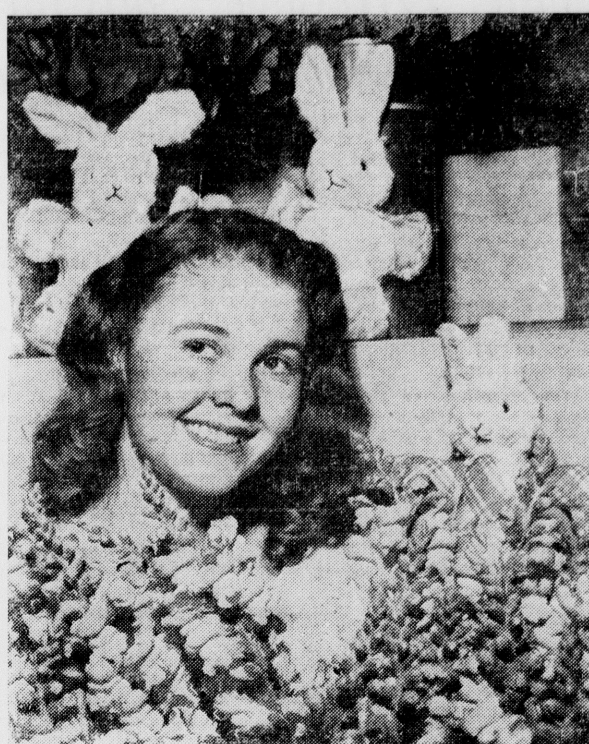

Mr. and Mrs. B. J. Bunting of Niles are happy to announce that a son, Lee William, was born on March 17 at the Community Hospital in San Jose.

Mrs. Bunting says that young Lee, who weighed 9 pounds, 11 ounces at birth, is behaving very well and eating in a manner calculated to maintain, and possibly break, existing weight records.

Brother Jimmy, 3 years old, is away from home for a short time, but is eager to see his new brother. Jimmy's birthday is on March 28.

Flying Visit

The Larry Thatchers whizzed through Niles on Thursday, stopping briefly to exchange a few words with friends and former neighbors. Their flourishing nursery business in San Mateo keeps them and their sons constantly busy.

PRETTY JOAQUINA BALLARD, Mills College student studying flower arrangement, enhances an Easter Week display of choice snapdragons of a type to be exhibited at the California Spring Garden Show April 27 to May 4, in the Oakland Exposition Building, Oakland. "Outdoor Living," featuring outdoor living, dining, and recreation areas, will be the show theme. Thousands of spectacular blooms will be exhibited by western nurserymen at the giant floral expositions.

NAPOTI-BARTON WEDDING SET FOR MARCH 29; BRIDE-TO-BE IS HONORED AT PARTY

At seven o'clock on Thursday, March 29, Miss Barbara Napoti of Burlingame will become the bride of Ronald J. Barton of Newark. The ceremony will be performed by Father Leonard Bose of St. Catherine's Church, Burlingame.

The bride, who will wear a ballerina length gown of pink marquisette, will be attended by Miss Beverley Barattino in a similar gown of yellow. Mr. Robert Vieux is to be best man.

The couple will be at home in Newark after the honeymoon trip, destination unknown.

Miss Napoti is a graduate of San Mateo schools and is presently employed at a bank in Burlingame. Mr. Barton, son of Mrs. Freda Barton of Newark, graduated from Washington High and spent six years in the Air Force. He is now with the James Graham Manufacturing Co.

Mrs. Freda Barton and Ronald's sisters, Mrs. E. Phippen and Mrs.

Louise Miller-Tom Hobbs Wedding Tonight

Louise Miller and Tom Hobbs will exchange vows at a ceremony to be performed in the bride's Canyon Heights home tonight (Friday) at 8 o'clock.

Rev. W. C. Golliver of the Niles Church of the Nazarene will officiate. Miss Geraldine Duarte of Niles will be maid of honor and Mr. Clyde Hobbs best man.

The wedding will be followed by a combined reception for the young couple and a going-away party for the bride's brother, R. E. Miller, who will leave on Monday for duty in the Army.

After a week-end honeymoon in Modesto, Mr. and Mrs. Hobbs will live in their apartment on G Street in Niles.

Louise is a Washington High graduate, at present employed by the California Nursery Company, as is her mother, Mrs. Ola Miller. Mr. Hobbs spent two years at Washington High but completed his high school education in Arkansas.

Pajama Party

A week-long holiday after the hardest quarter of the school year usually calls for something strenuous in the way of a party: a pajama party for instance, belying its name by leaving family and guests exhausted but happy. Emily Jane Scott of Newark firmly believes in the idea as do her overnight guests of last Tuesday, Joanne Lewis, Shirley Chandler, Rosemarie Gunn and Pauline Vierra.

Emily's mother, Mrs. S. G. Scott, tells us that she hopes to have with her at Easter her sister and family, the H. J. Webbs of Stockton.

Easter at Plymouth

Mr. and Mrs. Jean Van Ophem of Niles expect to spend the Easter week-end in Plymouth. They will stay with Mr. Van Ophem's daughter, Mrs. Hollis Shaw.

Brother, Sister Meet After 35 Years

A reunion of brother and sister who had not seen each other for 35 years, was held this week at the home of Mr. and Mrs. John Kellerman in Newark when her brother, Frank Walters of Brooklyn, New York, arrived for a visit. Mr. Walters is an interior decorator in New York. Another brother, Charles Walters of Centerville, was present at the happy occasion and to help entertain the New Yorker during his first visit to California.

To Los Angeles

Miss Claudette Elias of Newark left by train this week for Los Angeles where she will spend the holiday with friends, Mr. and Mrs. Joe Pressey.

BENEFITS MAY BE LOST THIS MONTH

Many persons 65 or older in Washington Township are going to be very unhappy if they don't get in touch with the Social Security Administration before March 31.

Edwin R. Williams, local field representative for the Social Security Administration, announced this week that "changes in the New Social Security Law make it possible for many persons to receive monthly payments now even though they did not qualify previously."

Do you meet these requirements:

1. Are you 65 or over?

2. Have you worked at least a year and a half under Social Security since 1936?

If you can answer yes to these questions and:

1. You have not already filed a claim.

2. You are not earning more than \$50 a month in employment covered by social security—then you are eligible for monthly Federal Social Security payments.

Williams is present at the Department of Employment, 679 Watkins Street, Hayward, every Friday between 9:30 a.m. and 4 p.m.

The Mexican custom house at Monterey was started in 1827 but not completed until 1841-45 by Thomas Larkin.

REBEKAH NEWS

A large crowd of Rebekahs, representing Rebekah Lodges from all over the state, gathered at Odd Fellows Hall, Irvington, last Friday evening to welcome Ruth L. Akers, president of the Rebekah Assembly of California, on her official visit to Silver Star Rebekah Lodge. The meeting was preceded by a dinner at the Irvington Elementary School in charge of Irma Belding. The dining hall was beautifully decorated by Leona Krueger. Members of Necona Theta Rho Girls' Club assisted in serving the dinner. The lodge hall was decorated by Justine Adams.

Delegates to the Rebekah Assembly were elected at this meeting. The three chosen were Olive Pugmire, Irene Bales and Anna Van Buskirk. The Assembly will convene at Santa Cruz May 7-11.

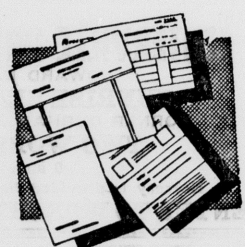

The next regular meeting of the local lodge will be held April 6 at Odd Fellows Hall, Irvington, according to Edna Hescher. Anna Van Buskirk, Josephine Foley and Florence Hale will have charge of refreshments for the evening, and Fern Mitte and Rose Stearns are in charge of the social hour.

A group of girls, members of Necona Theta Rho Club, accompanied by Edna Hescher and Nellie Talley, advisors, left yesterday morning for Santa Cruz to attend the Theta Rho Assembly. Lenore Lammi and Barbara Talley will represent the club as delegates.

Easter Message Calls for Christians To Renew Their Hope and Faith

EDITOR'S NOTE: Mr. George Barker, 87, Niles' beloved grand old man, this week penned an Easter message from which we might all benefit.

Mr. Barker, a native of England, was ordained a priest in the Church of England at Westminster Abbey in 1894. He came to California 30 years ago and has resided in Niles since his retirement.

The clearness and sincerity of his message reflects the spiritual guidance of a man whose life has been devoted to the service of his Maker.

We present this message, from a man who faces his ebbing future with anticipation, with hope that it may brighten your Easter season.

Easter is here again. The season of joy, of triumph and of hope and faith.

Easter Day is a day of deep significance to Christians for it is the anniversary of the day over nineteen hundred years ago when Jesus of Nazareth rose from the dead, just as he had promised he would, three days after he had been crucified on Calvary.

The long winter months have faded like shadows into the past and Spring is trailing her robe of gorgeous colors across the earth. The hills are growing green. The trees are in bud. With this all before us our heart too will renew its faith in life eternal.

Our calendar couples Spring and Easter and this in itself is a twofold significance. Spring brings renewal of all nature, while Easter's message is of the newly quickened spiritual life within ourselves.

In nature at this season dormant life leaps into being. Cynics may say that all in this world is mortal and perishable, but Paul based his belief in eternal life on the richness and beauty of mortal life.

In so many ways Spring and Easter are like the beautiful poetic passage penned by Christina Rossetti in "Easter Carol"—"Spring bursts today, for Christ is risen and all the earth's at play."

Jesus did die, it is true. But, it is also true that he rose again; and we all know or should realize that the final word was not with the cross, since death gave way to victory. Through this the lamp of hope in all human hearts was lit by the resurrection of Jesus.

"Because I live, ye shall live also," was His message and that ringing bell-like message has never stopped echoing throughout the ages. It is just as clear and bright sounding today as it was nineteen hundred years ago.

Man is forever being driven by a desire as old as life itself—a desire to see beyond the phenomenon he knows as death, to pierce the veil and to establish or disprove the immortality of the soul.

He is consumed with the longing to know once and for all whether death is good or terrible and whether it is the end of every-

thing or merely the beginning of another new and better life.

The truth is that most of us are perplexed about life after death simply because we cannot comprehend things that are intangible and invisible. But, if we could only remember that we cannot see thought but that we can and do experience the result of thought, how much happier and contented we all should be.

We cannot see faith either, nor goodness, nor courage, nor truth, nor love. But, we can observe the results when these things are expressed in the lives of people around us.

These things—these proofs we might say, are the foundation for immortality if we would only stop to analyze them and stop for a moment to realize their significance.

The question of life or death is one that must remain forever unanswered for those who refuse to accept and believe in Jesus Christ. For those who accept and believe there is joy and hope, peace and contentment, and life filled to a good measure.

Those who believe in Jesus see His coming, His life and His death upon the cross, and His glorious resurrection from the dead, a positive proof of life beyond the grave.

Jesus in life gave the world a new philosophy of life and a new and good conception of true brotherhood. He preached a life in which love and understanding should take the place of fire and sword. He preached of beauty and unity and the joy of giving instead of always receiving. These are the things we need to remember today. In death Jesus gave us the lasting promise of an inspired hope and faith in the immortality of the soul, and in the resurrection He gave us proof that there is life beyond the grave.

Hope and joy have come to humanity through faith in the Easter story and the glory of Easter. Easter is the symbol and pledge that love is mightier than force—that truth is the conqueror of falsehood—that freedom is the master of tyranny.

Indeed, it is just as it was taught and preached by Jesus Christ to his followers.

In an age of oppression and practices so horrible they are hard to realize, Jesus went about doing good. His life was dedicated to enlightening unrestricted prejudice and in the face of discouragement the seed of his compelling message took root and flourished in the dark sodden soil.

The fruits of Jesus' work are seen today in a world that has been greatly changed since He spoke these words to his followers: "Ye shall know the truth, and the truth shall make you free. I came that they may have life and may have it abundantly."

Christianity has always been and always will be like a cool refreshing stream flowing into an arid desert land, making it blossom with rare and precious flowers.

Wherever it has gone vice has been replaced by virtue—selfishness by charity, and cruelty by kindness.

The people trudged many a long, weary mile to listen to the beautiful and inspiring word of the young carpenter. They respected and loved Him because He stood among them, a man as they were, while He spoke His words of truth and wisdom and they were enthralled as they listened to His soft, gentle voice saying: "Blessed are the poor in spirit, for theirs is the kingdom of heaven."

They hung eagerly and hopefully on other words that came: "Ye are the light of the world. Rejoice and be exceeding glad for great is your reward in heaven."

"I am the resurrection and the life . . . whosoever liveth and believeth in me shall never die. I come again and will receive you unto myself. And, if I be lifted up from the earth, will draw all men unto me."

The inspiring pronouncements of our risen Lord come to us at Easter time in the voice of soft winds and in the fragrance of blossoming flowers. The voice speaks to us through the medium of all these wonderful things at Easter time.

Listen and you will hear it. Believe and you shall know!

The life of Jesus was a challenge. His death on the cross was a challenge. Every word he uttered was a challenge, and all the things connected with Him go into the making of a glorious Easter, for on Easter we are bound to realize anew our great and wonderful message and life of Jesus.

Easter will come to all of us. Wherever we may be, Easter will come again and again throughout our life so that we may be reborn and live in a world of renewed faith and hope, free from nagging of prejudices, our mistakes forgiven. Truly there is nothing in all the world like the glory of EASTER.

At Easter time Christ guides and draws the hearts of multitudes to Him. He guides millions of feet to His temples and places of worship, wherever they may be. He gently beckons and leads us on to the foot of a cross for this special day that we may all give joyous expressions of our faith in song and prayer and there renew our faith in the great realization of His presence.

And, to us it will seem that He too is present, a man among men, saying: "Lo, I am with you always. Let not your heart be troubled."

Let us all on this Easter morn, with true faith and confidence, place our eternal destiny in the hands of the living Lord.

Let us pray that He may help us rise above the sordid things of life; fill our heart with compassion for the sorrow and hopelessness of others, wherever they may be.

Let us all on this Easter morn allow our heart, our thoughts, and our lives to be touched and softened with the true glory of Easter.

IRVINGTON SCHOOL

KINDERGARTEN

We visited the post office and then we built a post office in our room. We took turns being the postmaster and mailman. We brought old envelopes to use for the mail.

JUNIOR FIRST GRADE

The Junior First Grade has been very busy making Easter decorations for their room.

The children have just finished assembling their play house which they made from boxes. Since the children had a play house they decided to learn to cook. They made some delicious oatmeal cookies. After all the children helped mix them, they baked them in the school cafeteria oven. In the afternoon the children had a party with the cookies they made themselves.

FIRST GRADE

We're doing a unit on food in conjunction with our transportation unit. Last week we made a train to haul our food. We have the first car loaded with fruit, the second with vegetables, and the third with milk products.

SECOND GRADE

We are completing our bakery unit. It has been a lot of fun and included a visit to Katherine's Bakery in Newark last week.

THIRD GRADE

We have three new boys in our room, Donald Gibson from Newark, Anthony Avila from Centerville, and Joe Sye London from Oklahoma.

Our class gave generously to the Junior Red Cross.

FOURTH GRADE

We are studying the beautiful floating gardens of Mexico. This week we will make 100 St. Patrick's Day nut cups for the Red Cross and 150 Easter tray mats. These are distributed to the veterans hospitals, Arroyo Del Valle and others.

FIFTH GRADE

The timely topic of "The Weather" is being studied for a science project in the fifth grade. Simple experiments in air pressure were performed in class and movies were shown describing the workings behind the weather and scientific explanations for weather changes.

SIXTH GRADE

Drama is a good means by which we may grow in our reading and oral expression. So we have utilized our loud speaker system in school and we have put on a radio play for a few of the other classes.

Assemblies are always fun and it also gives us a chance to express and share our experiences. Citizenship as well as scholarship is our goal.

EIGHTH GRADE

The unit in Social Studies on nutrition is progressing nicely. Besides charts on nutrition, the committee is building a locomotive and cars to display the foods needed in a good diet.

Immediately following Easter vacation, softball will be in full swing. All of the boys are invited to try for the teams.

DRUM AND BUGLE CORPS

Taking advantage of the good weather, the Drum and Bugle Corps has resolved to practice out of doors after school. They are making plans for distinctive uniforms.

Wylie Blacow was elected chairman of the corps, and Jerry Lizardo assistant chairman.

ORCHESTRA

The Irvington Orchestra received its long-awaited blocks recently. Two players, Delbert Peixoto and Wylie Blacow, received five-year blocks.

The orchestra also had the distinction of losing two presidents in one month, Jack Powell being the first to leave the district, followed soon after by Stanley Escalano.

GLEE CLUB

We are interested in our community and want to sing about it. Just to prove it, the glee clubs in the vicinity are working hard to sing about Washington Township's history. Gay, colorful music has been chosen and we anticipate a happy music festival for the entire area.

DRAMA CLASS

The project of the drama class has been acting for the radio.

BARLEY BEST FOR LATE SEEDING

Barley is the best of the cereal crops to plant this year in areas where heavy rainfall has delayed seeding, according to Farm Advisor Stanley Coates of the University of California Extension Service.

Many growers who cannot irrigate their lands for summer crops have been especially concerned with this problem of what to plant.

Mr. Coates says barley is better for late planting than wheat or oats, with oats the least desirable. He suggests early varieties such as California Mariout barley and Ramona wheat. Barley seeded in March will produce a good crop, although growers should not expect maximum yields. Seeding wheat after March 1 is hazardous, as so much depends on the weather during the spring months.

Mr. Coates says there are few other dry land crops which can be planted now.

Movies, film strips and discussions have centered about radio broadcasting.

In addition, the class is working on a radio play to be presented before the fifth, sixth, seventh and eighth grade students and interested members of the community. The drama, appropriately entitled "The Rights of Bill," is about the Bill of Rights and the responsibility of each American to work for the rights of others.

CAFETERIA

Boys and girls of the Cafeteria Club met for their regular monthly meeting on Wednesday afternoon. This club is made up of students who have certain jobs to do in exchange for their lunch. Problems of the workers and rules for the cafeteria were discussed at their business session, after which a short program was presented, followed by refreshments. Claudine Taylor was refreshment chairman.

I'd Like to Know...

You may have heard that a suit has been filed by the Antitrust Division in Washington to break up Standard of California as well as six other West Coast oil companies. Many people have written us protesting this action, have asked pertinent questions. We believe these questions should be answered for everyone. We take this way of doing so. If you have a question, write: "I'D LIKE TO KNOW"

225 Bush Street,
San Francisco 20

"Why should you be in all parts of the oil business?"

Mrs. Henry Lincoln, housewife in Boise, Idaho, asks: "Do you have to be in all parts of the oil business? Why don't you just produce or refine, and give other companies a chance to do the transporting, selling, etc.?" Mrs. Henry Lincoln

Why oil parts? Example: In Oregon, severe winters used to delay fuel oil deliveries. Here was a need.

To meet the need, Standard looked to the undeveloped Rangely oil field, 600 miles away in Colorado.

Getting crude out of new wells, refining it, delivering it to users—called for a fully integrated operation.

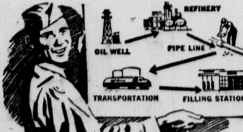

To move the oil, Standard laid a 182-mile line to Salt Lake City—crossing Uinta Mts. at 9,560 feet. Here—

A new refinery was built. To keep costs down, it had to run steadily . . . have constant flow of product. So—

Another pipe line was built into the Northwest to deliver refined products . . . plentiful in any weather.

We now serve this area well. To do the job Standard needed all its size, integrated skills and capital.

A certain minority in U. S. feels big companies should be broken up—though these companies have helped keep the nation strong. The U. S. was thankful for big companies in the last two world wars . . . and is now, in these critical times. This is a big country with big problems. To meet them it needs large and small companies. We'll continue doing a good big job for you and the nation.

STANDARD OIL COMPANY OF CALIFORNIA

SCENE IN CENTERVILLE

By HELEN MOORE

Mrs. Jack Grant of Atherton invited Mrs. Martha Juhl and Mrs. Erle Hygelund for lunch at the International Kitchen last week in honor of Mrs. Hygelund's birthday. On Saturday night Mr. and Mrs. Ed Richmond entertained the Hygelunds for dinner at the kitchen, and on Sunday Mr. Hygelund honored his wife by taking her to dinner at Sophie's in Oakland. Sophie, who is known to most township people, served them a delicious dinner and then showed them curios and pictures brought back from Germany.

DINNER GUESTS

Mr. and Mrs. Gerald Meekins and children, Yvonne, Paul, Larry and David, were guests at the home of Mr. and Mrs. John Fitzgerald in San Jose last Sunday evening.

BUFFET SUPPER

Mrs. Alice King entertained at a buffet supper party last Sunday afternoon at her home, in honor of her daughter, Beth, who will be married next Sunday to William Enos. The guests present

were: Mrs. Eleanor Woodward, Miss Annette Kirkish, Mrs. Robert Dutra, Bonnie King, Mr. John Amara, Mr. Robert Dutra, Mr. Robert Woodward, Mr. Ed King, all members of the wedding party, with intimate friends concluding the guest list.

EASTER EGG HUNT

Last Monday afternoon the Girl Scouts and their mothers held a pre-Easter party at the Old Adobe at the California Nursery Company. An old-fashioned Easter egg hunt was planned for the girls followed by delicious refreshments.

SACRAMENTO BOUND

Mr. and Mrs. George Silveira will entertain their entire immediate family at an Easter breakfast this Sunday before motoring to Sacramento where they will have dinner with friends.

BRIDGE CLUB

Mrs. Marion Zwissig entertained her bridge club this week. Those present were: Mrs. Tony Enos, Mrs. Wayne Day, Mrs. Ed Rose, Mrs. Bernie Joseph, Mrs. Harold Garcia, Mrs. LeRoy Brown and Mrs. Gerald Stollenwerk.

LOVELY PARTY

Mrs. Maurice Marks entertained friends at Lakeside Country Club last week for a bridge-luncheon, given in benefit of the Veterans of the Korean War at the Oak Knoll Hospital. Her guests at the very lovely party were: Mrs. LeRoy Brown, Mrs. Thomas Robbins and Mrs. Manuel Fontes.

RUTH CIRCLE MEETS

The Ruth Circle of the Presbyterian Church met at the home of Mrs. George Silva last Thursday night. Plans were discussed for the tea to be given April 8 when Howard Steward will be ordained as pastor of the church. The next meeting will be held on April 19.

ATTENDS SHOWER

Miss Antoinette Pimental attended a bridal shower honoring Miss Pauline Gonzales of San Jose last Thursday evening.

FASHION SHOW

Mrs. Christine Hygelund, Mrs. Erle Hygelund, Mrs. Harry Weber and Mrs. Peter Juhl were guests of Mrs. Lloyd Hygelund recently at a Fashion Show and tea, held

at the Women's City Club in San Jose.

FAMILY DINNER

Mrs. Florence Myrick will have her family home with her on Easter Sunday.

CELEBRATION

Last Sunday Mr. and Mrs. Clyde Voorhees of Mt. Vernon Avenue entertained at a family dinner in honor of Mrs. Matt Whitfield's birthday. Besides the honored guest, Mrs. Matt Whitfield, Mr. Matt Whitfield Jr., Mr. and Mrs. Clyde Voorhees Jr., and little Jill and Jeff Voorhees were present.

HAPPY BIRTHDAY

Jackie Coley, daughter of Mr. and Mrs. Jock Coley, will celebrate her birthday tomorrow (Saturday) with five candles on her cake. Her sister, Becky, Billy Nordvik, Danny and Terry Grimmer, Janice Silva and Penny Ann Moore have been invited to share in the fun.

FOUR YEARS OLD

Johnny Howe, son of Mr. and Mrs. Francis Howe of Mission San Jose, celebrated his fourth birthday last week with a party. Danny and Terry Grimmer, Robbie and Stuart Buehler, Rod Buehler, his sister, Ann, and grandmother, Mrs. J. McDonald, all helped in making this a memorable occasion. The traditional birthday cake and ice cream were served to the little guests and their mothers. Mrs. M. Howe and Jeff Voorhees were invited but unable to attend on account of illness.

BUSY DAY

Mrs. Marianne Mendonca was pleased to have a visit with Mr. and Mrs. Arthur Flores last Sunday. Mrs. Flores is her sister and resides in San Jose.

That evening Mrs. Mendonca, Mr. and Mrs. Richard Mendonca and son Bobby, and Mrs. Margaret Soito were the guests of Mr. and Mrs. Henry Dias and daughter Marlene, of Santos Avenue, at a very lovely dinner party. The evening was spent watching television and visiting.

DRUIDS MEET

A St. Patrick's party was held last week by the Victory Circle of the Druids at their regular monthly meeting. The tables were decorated in the traditional Irish colors and delicious refreshments were served by the committee members, Caroline Brown, Mae Rodgers, Nell Rodgers and Mae Bernardo. The business meeting was conducted by Caroline Brown who acted as arch-druidess. Arrangements were discussed to hold a whist party on Friday, April 6, at the home of Mrs. Adeline Santos on Central Avenue. The proceeds from the party will be used for their welfare fund, and is open to the public. Refreshments will be served after the game. The next meeting will be held April 16 when the new officers will be elected.

LOVELY VISIT

Spending a week's vacation at the home of Mrs. Mary Francis this past week were Mrs. Mae Dodge and Mrs. Marie Francis. Mr. Louis Francis and Mr. Herman Francis and families spent a short visit and then left for Portland, Oregon. Ethel, daughter

NEW MATRON AT HOME

Mrs. Virginia Lord, a matron at the Masonic Home for the past 25 years, has retired, and is now living in Sacramento. She is succeeded by Mrs. Mildred Harris, former assistant superintendent at the Englewood Orphanage in San Francisco. A native of Ohio, she served as a court reporter for the Army of Occupation board of inquiry, investigating conditions in the occupied zone following the first World War. She served with the Army Medical Corps in World War II and also has worked for the F.B.I. She is a charter member of a Business and Professional Women's Club in Seattle and is now a member of the San Francisco Club. Another new member of the staff is Miss Bess Payne, superintendent of nurses, who succeeds her aunt, Mrs. Esther G. Payne. Miss Payne is a graduate of the O'Connor Hospital School of Nurses at San Jose.

BRIDAL SHOWER

A bridal shower was given for Antoinette Gutierrez of Sixth St. by her sister-in-law, Phyllis Gutierrez of Oakland, last Friday evening. About 25 guests were present. Antoinette was the recipient of many lovely gifts. She will become the bride of Freddie Rojas on April 1 at the Holy Rosary Church here.

of Mrs. Mary Francis, and Mr. and Mrs. Fred Duffy helped entertain their friends who are from Southern California.

This Sunday, Easter, Mrs. Mary Francis, with her family, will spend at their home with Miss Angeline Quadros as their guest.

VISIT IN LAS VEGAS

Mr. and Mrs. David Dickinson enjoyed a wonderful week-end in Las Vegas recently. They stopped first in Los Angeles to visit with Mr. and Mrs. Stanley Moffett, uncle and aunt of Mr. Dickinson, and from there the two couples went on to Las Vegas.

PLANT EXCHANGE

The Farm Home Department will meet on Wednesday, March 28, at the Alvarado School in the cafeteria. Once again the meeting will feature an exchange of plants for the members. Mrs. Adeline Santos will preside over the meeting.

NEW STATION OPERATOR

The Vernon Carey Service Station on the Niles-Hayward Highway will be leased from April 1 on to Donald Shanks of Niles. Joe Carey, operator of the station now, is planning to catch up on a few things around the house before settling himself into something permanent.

SICKNESS CLOSES SHOP

The Decoto Barber Shop was closed last week and part of this week because the barber, Rinaldo "Cam" Caminada, spent a few days in bed fighting off some of the flu germs he picked up.

GOOD FISHING

Mr. and Mrs. Joe Carey, Mr. and Mrs. Vernon Carey of Niles and Bobby Dias of Sunnyvale enjoyed a nice day at Alameda on Palm Sunday doing a bit of trout fishing. The weather was lovely, the catch was good and all had a grand time.

EASTER PRESENT

Peggy Casio was presented with a new 1951 car by her husband, Romand "Santos" Casio. The car was an Easter gift for Peggy and she is anticipating a trip back East in the near future.

R. R. CROSSING SURVEY

A survey at the crossing at Whipple Road and the Southern Pacific Railroad tracks has been authorized by the California Utilities Commission. Working with engineers of the commission will be staff members from the office of County Surveyor Wallace Boggs. Request for a survey was instigated by the Chamber of Commerce through the board of supervisors of Alameda County. The supervisors encouraged a survey due to the fact that since the Barnard School has been opened, the crossing has been a serious hazard. It is hoped to have signals eventually installed.

BACK AT WORK

Sally Torres has returned to work at Dr. Lee's office after being home very ill with the flu. Glad to see you back.

P.T.A. MEETS

An unusually large group attended the regular March meeting of the Decoto Elementary School P.T.A., held on March 14 at 2:15 p.m. The third grades, under the direction of Mrs. Jeanette Schaaf, with the assistance of Miss Dorothy Johnson and Miss Priscilla McIntire, put on a delightful program. Refreshments were served before adjournment.

CITY VISITORS

San Francisco was flooded with the laughter of four young ladies when they spent last Monday there. Of course the girls aren't

JIVE WITH IRVINGTON FIREMEN ON APRIL 7

IRVINGTON PLANS HOMECOMING FETE

The first of what is to become an annual Home-Coming Day will be held Saturday, May 12, at the Irvington Elementary School, it was announced this week by Gus Robertson, district superintendent.

The festivities will open with a dinner, limited to former pupils in the Irvington school, parents of children now in school and present eighth graders.

Following the dinner the group will inspect the school and the student body will present a vodvil, followed by social dancing, chamarras and folk dancing.

During the dinner, the oldest graduate attending will be honored, as will the graduate traveling the greatest distance to attend, the one who has achieved the greatest educational recognition, and the one who graduated at the youngest age.

NILES BLACKED OUT BY HIGHWAY CRASH

A highway accident which blacked out all of Niles, some sections for three hours and other areas for eight hours, occurred at 11:15 p.m. Saturday on First Street directly in front of the office of Dr. E. C. Grau.

The power pole in front of the doctor's office was snapped off when an automobile belonging to Roberto Trinity Arenaz failed to make the turn from the highway into First Street.

Arenaz, who was only slightly injured in the crash, was charged with being drunk in and about an automobile and paid a fine of \$50 on his appearance before Judge Allen G. Norris in Centerville court on Monday.

Where's the Fire?

Tuesday, March 20, Irvington, 9 a.m., school yard, grease fire.

CENTERVILLE ASKS RELOCATION OF BUS LOADING ZONES

The removal of the Peerless Stage System's bus loading zones from the center of the business district in Centerville is the goal of the current campaign of the Centerville Chamber of Commerce.

At Monday's meeting of the Chamber, merchants of the community reported that the new, enlarged red loading zones have cut by approximately 20 per cent the available parking area in the "heart" of the business section and has been reflected in their volume of business.

OUT OF BUSINESS SECTION

Judge Allen G. Norris told the group that the new loading zones had only recently been established, at the request of the Chamber, by county ordinance and the ordinance would have to be repealed before the zones could be reopened for public parking.

The members agreed that the most advantageous solution to the problem would be to relocate the bus zone in some other section of town.

President E. M. Grimmer Jr. named Manuel "Chick" Santos, George Hinkley, Leonard Miller, Walter Connolly and Judge Norris to a committee to work on the relocation of the zones.

SALTWATER PROBLEM
Mrs. C. C. Perkins, chairman of the committee named to investigate the possibility of sealing saltwater wells in the area, reported that there is at present no state or county agency with the authority or funds to seal wells, unless the wells are a health menace.

She reported that Assembly Bill 2712 would provide for the sealing of saltwater wells and urged each member to write to Senator Arthur Breed and Assemblyman Francis Dunn requesting that the bill be given a high priority in presentation to the legislature.

The delegates to the Washington Township Chamber of Commerce were instructed to bring the problem before that group at its next meeting.

ALVARADO SCHOOL

The Student Body held its weekly meeting on March 9. It was reported by Joyce Caldeira, junior Red Cross chairman, that \$10.11 had been contributed.

The Student Body is buying a ringer for the basketball court—Patricia Noia.

BOYS' CLUB

Alvarado boys' A team defeated Newark at the Centerville High School gym Thursday, March 8, by a score of 27 to 7. The Alvarado B team won by a score of 11 to 4.—Timmie Louie.

FOURTH GRADE

Our class is studying Mexico now. Soon after Easter vacation we will learn Mexican folk dances and put on a play. Since the first of this year our class has had the Thrift Banner many weeks. We are learning to save our money—Rose Marie Alvarez.

KINDERGARTEN

The kindergarten is welcoming the spring by taking walks. Also they are seeing the trees budding, the birds coming back and the flowers blooming. They are also making eggs and bunnies for their baskets.—Joyce Caldeira.

HIGHWAY CRASH HOSPITALIZES 3

A head-on crash between an ambulance and an automobile on the winding road a mile and a half east of Mission San Jose about noon Wednesday hospitalized three persons.

Injured in the crash were Roy Garrison and his wife and son of San Jose. They were taken to San Jose Hospital in the Township Ambulance.

The car collided with the ambulance driven by Dean M. Sexton of Ione. Sexton told officers that he had just purchased the 1946 ambulance from his father and was enroute to his home with it. Both vehicles were demolished.

TO MEET APRIL 6

The Washington Township Adult Girl Scouts will meet at the Centerville Elementary School on Friday morning, April 6, at 9:30, according to Mrs. Lydia Orsetti. The workshop for this meeting will be conducted by Mrs. Katherine Hupman.

If unable to attend, leaders are asked to send an adult representative with report of troop activities.
